Subject: Laundry service
Importance: High

Hi Jim,

I posted the Request for Responses (RFR) sometime ago, but I want to make sure that Unifirst is aware that their contract with us is ending on June 30, 2010 and they must apply to this new bid in order to be considered to continue to provide the uniform rental service.

I will ask one of my staff person to contact Unifirst next week to encourage them to submit their proposal, however, if you have any contact with Unifrst, please inform them about it and encourage to submit a proposal. I have included instructions how to get the solicitation document form the state solicitation website (links from that website don't work). Please feel free to share this information with them or ask them to call me.

The due date for proposals is May 14th.

Here are instructions on how to get to the RFR on Comm-PASS:

Go onto the Internet to address: www.comm-pass.com.

Click on the Solicitations tab.

Click on Search for a Solicitation.

Enter [REDACTED] into the Document Number field, then press Search.

There are 1 Solicitation(s) found that match your search criteria will appear at the top of the screen. Click on this link.

Click on the eyeglasses on the OPEN line. Be sure to go to each tab for information. The RFR is posted on the Specifications tab.
